**Contact:** Les Jamieson, (510) 900-8430, [admin@JusticeInFocus.org](mailto:admin@JusticeInFocus.org)

**Who:** Sponsors: Architects & Engineers for 9/11 Truth, Lawyers Committee for 9/11 Inquiry, NY State Legislative Action Project for 9/11 Justice, 9/11 Consensus Panel, 9/11 Truth Action Project

Keynote Speakers: Daniel Sheehan, renowned public interest attorney, and Ferdinando Imposimato, Honorary President of the Supreme Court of Italy

**What:** **Justice In Focus: 9/11 | 2016.** A landmark two-day symposium on the pursuit of 9/11 Justice fifteen years after the fateful events of September 11, 2001.

**When:** 10:00 AM to 6:30 PM on Saturday, September 10, and Sunday, September 11, 2016

**Where:** The Great Hall, Cooper Union  
7 East 7<sup>th</sup> Street  
New York, NY 10003

**Why:** Hundreds of researchers and activists will come together in the historic 800-seat Great Hall of Cooper Union to discuss the state of ongoing efforts to expose the truth and obtain justice for the attacks that killed nearly 3,000 innocent victims and that continue to serve as the pretext for the Global War on Terrorism and the curtailment of civil liberties.

The conference will feature keynote addresses from respected legal figures Ferdinando Imposimato and Daniel Sheehan, as well as panels, presentations, and day-long evidentiary hearings and legal analysis concerning the World Trade Center's destruction. Day 1 will be emceed by NYU professor Mark Crispin Miller and will culminate with a roundtable discussion entitled *Justice in Focus: Toward Prosecuting the Crimes of 9/11*, which will explore the conference's central theme. Day 2 will be emceed by international human rights attorney Dr. William Pepper and will showcase the activities of the recently-formed Lawyers Committee for 9/11 Inquiry, who will hear presentations of evidence by seven leading technical experts affiliated with Architects & Engineers for 9/11 Truth.

Tickets can be purchased at [JusticeInFocus.org](http://JusticeInFocus.org) or at the door. The conference will also be livestreamed to an audience of thousands worldwide.
